#MORE THAN A SCHOOL

Lucky International School was established in 2015 under the aegis of Lucky Shikshan Sansthan, an educational society founded in 1977. At LIS, children are the soul of our foundation. We believe in child-centric and experiential learning. Our teaching methodologies and pedagogical practices are a blend of tradition and modernity that serves our purpose 'Excite, Engage and Empower'.

AWARDS No.1 all the time!

- Ranked the best school in India for the use of Technology in Education by International School Awards Dubai

AFFILIATIONS & ACCREDITATIONS

British Council International Dimension in School Award

A benchmarking scheme that accredits schools as having an outstanding level of support for the International Dimension in School.

Cambridge PDQ Center

LIS is an accredited PDQ centre that offers international certificate and Diploma courses in teaching and learning.

Trinity College London Music Examinations

LIS is the one and only examination centre for Trinity Music Examinations in Jodhpur.

Pracheen Kala Kendra's Exam centre for Indian Classical Music

FOR A BRIGHT FUTURE FOR YOUR KID, THERE IS NO REASON TO LOOK ANYWHERE ELSE!

Learning Arena

More than an arena, more like an open sky for interests!

Dance

All forms of dance like Indian classical, folk and western are taught by professional trainers. The all-mirrored dance room is what our budding dancers love most.

Vocal Music

Students are trained in classical, western and folk songs under the guidance of professional mentors. Our melodious school choir is the highlight of every year's School Annual Day.

Skill Classes

More than developing skills, more like bringing out hidden talents!

Bag Pipe Band

LIS Bag Pipe Band helps young students develop coordination skills, fine-tune auditory skills, discipline, teamwork, and develop self-confidence under the guidance of a mentor.

Coding

LIS coding classes help students to use their logic & calculation skills while creating something of their own by making learning engaging & fun.

Theatre

Our drama studio is heaven for budding theatre artists. Here, they master theatre skills like body language, dialogue delivery, expressions and stagecraft.

Visual Arts

From drawing to clay pottery to crafting, at LIS, we explore and encourage students to do what excites them.

Sports

More than sports, more like physical & mental well-being!

At LIS, we encourage students to participate in the sport of their choice. Students are trained every day to become better and have the opportunity to win laurels at the district, state, and national championships.

International Curriculum

More than a curriculum, more like an experience!

Every child is unique with different aptitude levels and aspirations. Hence, LIS is affiliated with Cambridge Assessment International Education, which is one of the most prestigious in the world. Apart from this, LIS is also affiliated with the Central Board of Secondary Education (CBSE) which provides a holistic approach.

Infrastructure

More than infrastructure, more like a safe haven!

Classrooms

We believe a classroom should provide a sense of home. With a smart classroom setup that provides modern learning, our classrooms have a warm and comforting aura.

Infirmary

For us, the welfare of our students is of the utmost importance. We regularly conduct medical check-ups and the infirmary is taken care of by a qualified caregiver.

Psychology Lab

Psychology Lab creates a controlled environment in which students can study human behaviour. With our lab, we open the wide realm of the human mind to our students.

Tab Education

More than education, more like revolutionary learning!

A unique thing about the LIS education system is its TAB education. Tabs allow students to communicate with teachers directly via real-time synchronization and relieve the burden of heavy school bags.

Laboratories

Labs are a great place for students to enhance their learning by understanding theoretical concepts. Students at LIS have access to well-equipped laboratories where they can explore and experiment.
